**SIGNIFICANCE OF THE EMBLEM**

This premier Institution has been named after the great saint and savant, **Sri Shiridi Sai Baba**, the presiding deity and guiding spirit of the Institution. The Emblem of the college symbolizes the aspirations of the institution. *Thamasoma Jyothirgamaya* is a line from **Brihadaranyakopanishad**. It means 'lead us from darkness to light.' It is the darkness of ignorance, while the light stands for knowledge. The book in the emblem symbolizes education and the lotus suggests the flowering and awakening of intelligence. *Vidyaya Amruthamasnuthe* is taken from the **Isavasyopanishad**. It means, by acquiring *Vidya* (Ultimate Knowledge), one can attain immortality.

## EDITORIAL ....

We, the members of the Handbook Committee, congratulate all the first year students on gaining admission to this great institution appreciating the advantages of autonomy in higher education. We are confident that the pleasurable academic ambience will certainly help them accomplish their right ambitions.

On this occasion, we are happy to say that the achievement of 71% of results by the 6th batch of students of 2010-13 is the obvious outcome of the committed and continuous efforts of our beloved correspondent Sri P.L.N. Reddy, Secretary Sri Meda Subramanyam, Principal Dr. K. Nirmalamma and of the highly qualified and experienced staff members. Indeed, **Autonomy** and the **College with Potential for Excellence** status by the **UGC**, have facilitated the achievement.

We have properly revised and updated the information for the benefit of the first year students. The book offers detailed information regarding autonomy and its added advantages, academic plan, internal and semester system of evaluation, infrastructural facilities, service units and a variety of scholarships available to the students. The book also provides details about other important units like Career Guidance and Placement Cell which provide useful information for students on various employment opportunities in the job market and train students in various skills required for campus selections. We hope that the information will properly guide the students. The details of the staff and various committees working in the college regarding different aspects are added at the end of the book.

We are sure that the best infrastructural facilities including the English Language Lab and service units will not only make the students proficient in the subject knowledge but also learn various other skills required such as soft skills and communication skills in English. If the students make use of the excellent facilities provided by the faculty, no doubt they will be moulded into intellectually strong, physically robust, emotionally stable and socially responsible citizens.

We are confident that the innovative introduction of **Seminars** and **Choice Based Inter-Disciplinary Electives** as non-major

subjects will immensely help the students acquire more knowledge and face the competitive world confidently. Besides, a subject on moral values is being introduced during 2013-14 in the college in order to inculcate moral and ethical values into the students so that they will become the useful and responsible citizens of our society.

We express our grateful thanks to the Management and the Principal for entrusting the responsibility of bringing out the handbook and for their constant guidance and encouragement. We are also thankful to all Heads of Departments and other staff members who have promptly furnished the required information.

## THE COLLEGE

A small elementary school, started by the late Sri Sirivaram Adinarayana Rao, a visionary philanthropist, in 1944 rightly realizing the fact that education was the express need of this backward area, has now extraordinarily grown into a full-fledged College imparting quality education through its Undergraduate and PG Courses.

The long – cherished wish of this backward region of Rayalaseema to have a premier Higher Educational Institution in the Private Sector was fulfilled when **Sri Sai Baba National Degree College** (named after Sri Shiridi Sai Baba) was established as per the G.O.Ms. No. 1016 dated 07-09-1981. This co-educational Institution was inaugurated by **Sri. Bhavanam Venkatarami Reddy**, the then honourable Minister for Education, Government of AP, on 14-12-1981. Sri Venkateswara University, Tirupati, granted permanent affiliation to the college on 20-05-1987. Subsequently, it was affiliated to Sri Krishnadevaraya University, Anantapur, from the academic year 1987- 1988. The Govt. of AP was pleased to admit this college to Grant-in-Aid with effect from 16-04-1990 vide G.O.Ms. No. 170, Edn. dated 12-07-1990 with a view that higher education should be made available to the poor and needy in this backward area.

**The Anantapur District National Education Trust** (Regd.), Anantapur, represented by the elite of the town from all walks of life, manages this private aided Institution. Supported by its most experienced, competent and committed faculty, and excellent infrastructural facilities, the Trust has made it possible to impart quality education at a very reasonable and affordable fee structure for two and a half decades. With a view to keeping pace with knowledge explosion and to give employment orientation to education, this College started self-financing UG Courses from the academic year 1993-1994. This Institution which had a student strength of about 500 at the end of the academic year 1983-1984, is now able to maintain more than 2600 students including 1394 girls. At present, there are as many as 80 highly qualified and richly experienced teaching staff and 10 guest faculty to take care of the educational needs of the students of 18 UG and 7 PG Departments. This incredible growth bears testimony to the all-round success that has transformed the college into an outstanding educational Institution in the region.

As the college stood the test of time and emerged as a trusted educational institution, the **University Grants Commission, New Delhi** granted **Autonomous Status** to the college from the academic year 2005 – 2006 in accordance with the New Education Policy, 1986. The **Autonomous Review Committee** visited the college and extended the same status upto 2017 for the best performance of the institution during the past five years. Thus, the institution has earned a unique distinction of being the only autonomous college in the whole district.

With this glorious background this Autonomous institution is marching ahead with robust optimism, strength and vigour to achieve the vision of its Founder Sri Sirivaram Adinarayana Rao.

## **POINTS OF PRIDE**

### **AUTONOMY**

Autonomy is proved to be a symbol of great success in the field of higher education. It creates conditions for educational freedom from the academic rigidities of the affiliating system of higher education. It is mainly aimed at improvement in standards of teaching and learning, commitment to the cause of education, modernization, innovation and reforms so as to make the educational system more meaningful and relevant to the fast changing needs of the modern society.

### **Advantages of Autonomy**

An Autonomous College has the following advantageous activities to perform for quality education and transforming students into worthy members of modern society.

1. Regularly revises and updates its curricula appropriate to the changing needs.
2. Designs and introduces innovative programmes.
3. Enjoys total freedom regarding administration.
4. Prepares its own academic schedule and evaluation procedures.
5. Conducts examinations and declares results on time.

As part of its innovative efforts to help the students successfully face the challenges in the ever-changing and highly competitive world, the college has introduced Choice-based Inter Disciplinary Electives from this academic year.

While enjoying the above advantages for an effective educational system, the Degree College will continue to remain affiliated to S.K. University so far as the award of degrees is concerned. The content of the academic courses is based on S.K. University model to enable students to pursue P.G. studies of their interest.

### **NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)**

## ACADEMIC PLAN & ASSESSMENT METHODS

The college has adopted the **semester system** from the academic year 2005-06 for constant observation and assessment of students' learning. The academic year is divided into two semesters, each consisting of 90 instructional days. The odd semesters (I, III, V) are from **June** to **October** and the even semesters (II, IV, VI) are from **November** to **April**. Each semester is a complete unit by itself. The instructional methods include conventional lectures, classroom seminars and guest lectures. The syllabi and the model question papers will be provided by the respective Departments.

### 1. Theory assessment

The college follows a system of evaluation based on **Internal Tests** and **External Semester-End Examination (SEE)**. The 100 marks allotted for each theory paper in a semester are distributed with 25 & 75 weightage between Internal Tests and Semester-End Examinations respectively. **A student must secure a minimum of 40% marks in Internal and External Examinations put together** for a pass. However, **securing a minimum of 35% marks in each paper in the semester-end examinations is mandatory**. Question papers for Semester-End Examinations are prepared by the external examiners according to the syllabi and model question papers approved by the **Boards of Studies** and the **Academic Council**. All students have to write the tests / examinations in the medium as specified by them in their applications. No change of medium will be permitted thereafter. The duration of each course is three (3) years. A student who is not able to complete his/her degree within 3 years, he/she is given an additional period of 2 years to appear for the supplementary examinations to complete the course with the same syllabus. After the maximum period of 5 years, supplementary candidates will have to take the examinations as per the syllabus and model papers, in force at the time of his/her writing the examinations.

## A. Internal assessment

The following are the details of the internal assessment

Semester	Form of Assessment	Marks	Remarks
First	Assignments	25	The average marks secured in Assignments / Seminars / Internal Tests in each semester will be taken into consideration for the final assessment.
	Internal Tests	25	
Second	Assignments	25	
	Internal Tests	25	
Third	Seminars	25	
	Internal Tests	25	
Fourth	Assignments	25	
	Internal Tests	25	
Fifth	Internal Tests	25	
	Internal Tests	25	
Sixth	Internal Tests	25	
	Internal Tests	25	

Students should write the assignments, participate in the seminars and take the internal tests earnestly without fail. Absence from the above aspects will be viewed very seriously, if prior permission is not obtained from the Principal or Examination Committee.

A separate test will be conducted in the same semester for those students who take prior permission for not attending the regular internal test for valid reasons. Such candidates should register their names with the Controller of Examinations. However, granting permission will be decided on the merits of each case.

As each semester is a complete unit in itself, any deficiency in Internal Assessment cannot be made up in subsequent semesters. If a student is forced to repeat a semester for some reason, all his/her earlier marks in the Internal Assessment will stand cancelled. While repeating the semester, the student has to follow the syllabus and the model question paper which are in force at that time.

## B. Semester End Examinations (SEE)

Regular Semester-End Examinations (SEE) for odd semesters (I, III, V) are held in October/November and for even Semesters (II, IV, VI) in March/April every year. Supplementary candidates should take their

exams at the time of regular semester-end examinations only along with regular candidates. **No separate supplementary examinations will be conducted under any circumstances.** All the eligible students shall register their names for the Semester-End Examinations by paying the prescribed examination fee within the stipulated time. The College reserves the right of permitting a student to take Semester-End Examinations on grounds of discipline, attendance, etc.

### **C. Eligibility for registration**

#### **4. Memorandum of Marks**

Semester-wise marks memoranda will be issued to all registered candidates immediately after the publication of results.
